

# Hike plan 1

## 2 Big and 2 small Lakes Tour on Jablanica mountain (7 km)

Start from here (Sheepfarm Labunishki Bacila)

It is 7 km hike with only 350 m ascent, 2 Big Lakes and 2 small ones. Often you have to do much longer hikes with more ascending to get views as good as the ones during this hike. And the views and lakes are amazing!

Photos show the way the hike moves.

According to the initial description, the first plan includes visiting the two mountain lakes of Jablanica. The second plan is a continuation of this route, extending to two additional lakes located nearby in the territory of Albania. This means that the second plan encompasses the first plan but adds visits to two more lakes. The unique aspect of this plan is that it allows you to experience more nature and visit two countries.

# HIKE PLAN 3

# Strizhak peak 2233m (8-10 km)

Mount Strizhak, standing at 2,233 meters, is one of the most beautiful peaks in North Macedonia. The hike to the summit starts from the same place as the hike to the two or four lakes. From the peak, there is a fantastic view of Albania, Lake Ohrid, Debar, and more. Here are some photos and statistics of the hike to this summit.
